Enter with a happy heart.  
Come Gather at our Table  
The Gathering Room  
All things grow with love.  
Bless Our Home.  
Bless this house.  
Because Nice Matters  
Family...is everything!  
Because I'm the Dad!  
Our family tree is full of nuts  
Music is the voice of the soul  
Music is the prayer the heart sings  
Happiness is Homemade  
Home is not a place. . . It is a feeling  
Home is where your story (journey) begins  
Life is a great bundle of little things  
Grandparent's hearts are so big there's always room for one more  
Faith Family Friends  
Families are Forever  
Family  
Family Ties are Precious Threads.  
Fear less, Hope more; Whine less, Breathe more, Talk less, Say more, Hate less, Love  
more, and all good things are yours.  
Wrapped up in the warmth of a cozy old quilt  
Have love in your heart and peace in your home.  
The family I see is a reflection of me  
Insanity is hereditary you get it from your kids!  
All that I am or hope to be I owe to My Mother - Abraham Lincoln  
Keep it Simple  
The ornaments of a house are the Friends who frequent it  
The longer I live the more beautiful life becomes  
The most wasted of all days is one without laughter - E.E. Cummings  
Family is belonging to and believing in each other  
Medicine heals the body. . . . Music heals the soul  
The greatest gift ever came from heaven...it's our family  
There is no friend like a sister in calm or stormy weather  
Grant me patience to deal with my blessings  
Friendships may come and go ... but the love of family lasts forever  
No matter what, no matter where, it's always home, if love is there  
You don't choose your family, They are God's gift to you  
Anyone can be a Father, but it takes someone special to be a Daddy  
Being a parent is the greatest trust that has been given to human beings -David O. McKay  
A mother holds her children's hands for a while...their hearts forever  
If I knew grandkids were so much fun, I would have had them first

Grandma's and Grandpa's house...Kids spoiled while you wait  
Having someplace to go is home, having someone to love is family, having both is a blessing.  
Home is where they love you.  
Home is where you hang your heart.  
Home is where your story begins.  
Home Sweet Home  
Honor thy Father and thy Mother  
Inside every older person is a younger person wondering what happened  
Some of my greatest blessings call me Grandma  
You know you're over the hill when happy hour means nap time  
To touch the soul of another human being is to walk on holy ground  
May our home know joy, each room hold laughter, every window open to great possibilities  
I loved you too much to just be your friend, so God let me be your sister (or wife, or husband)  
Having someplace to go is home, Having someone to love is family, Having both is a blessing  
Families are like Quilts, pieced with memories, bound with love  
FAMILY - the ones you live with, laugh with, and love  
Peace, love and joy to all who enter here.  
Plant Kindness in Your Garden  
Plant Smiles, Grow Laughs, Harvest Love  
Practice random acts of kindness and senseless acts of beauty.  
The best times are always found when friends and family gather round  
The most important thing a father can do for his children is to love their mother.  
A father is someone who carries pictures where his money used to be  
A mother is she who can take the place of all others, but whose place no one else can take.  
The only thing better than having you for a dad, is my children having you for a grandpa  
I smile because you are my (sister, brother), I laugh because you can't do anything about it.  
Memories hide in every corner of my house, and I take great delight every time I stumble across one.  
The next best thing to having you for a Mother, is knowing that my kids have you for a Grandma.  
Happy is the house that shelters a friend  
Our family is a circle of strength and love with every birth and every union the circle grows - every crisis faced together makes the circle stronger

Truly great friends are hard to find, difficult to leave, and impossible to forget.

Gratitude is not only the greatest of virtues but the parent of all the others. - Cicero

Life can only be understood backwards, but it must be lived forward.

To the world you may be just one person, but to one person you may be the world

Seek ye first the kingdom of God, and his righteousness

If you can imagine it, you can achieve it. If you can dream it, you can become it. What ever you can do, or dream you can, do it!

Imagination is all that you need to start, and heart is all that you need to succeed.

The most beautiful things cannot be seen or even touched. They must be felt with the heart. - Helen Keller

Life is not a contest, but rather a journey in which we can help one another to a better place.

It is not our abilities that show what we truly are; it is our choices. - Professor Dumbledore

It is good to have an end to journey toward; but it is the journey that matters in the end.

The wisdom lies in the gathering of precious things out of each day as it goes by.

Life is a song- sing it; Life is a game- play it; Life is a challenge- meet it; Life is a dream- realize it; Life is a sacrifice- offer it; Life is love- enjoy it

. . . and they lived happily ever after.

Success in marriage is much more than finding the right person... it is a matter of being the right person.

Love does not consist of gazing at each other, but in looking outward together in the same direction.

Love: The only game that two can play and both can win  
There is only one happiness in life . . . to love and be loved  
Where there is great love there are always miracles  
You are what happened when I wished upon a star  
Gravitation is not responsible for people falling in love - Albert Einstein  
We can do no great thing- only small things with great love - Mother Teresa  
Love is not something you look for, Love is something you become.  
The greatest thing you'll ever learn is to love, and to be loved in return.  
Of all life's promises, the pledge to love and cherish is most precious  
It may take a lifetime to find true love, but when you do, you will have an eternity to share it.  
A house is made of brick and stone, a home is made by love alone  
I love you not only for who you are, but for who I am when I'm with you  
Being deeply loved by someone gives you strength: loving someone deeply gives you courage  
Love isn't about counting down the years, it's about making the years count  
There's a rip and a tear in my teddy bear, love pours from him everywhere  
A rose can say "I love You". An orchid can enthrall. But a weed bouquet in a chubby fist. That is the best of all  
He loves me, he loves me not, it doesn't matter, I'm all he's got  
In this life we cannot do great things, we can only do small things with great love.  
A successful marriage requires falling in love many times, always with the same person  
Love is but the discovery of ourselves in others and the delight in the recognition  
LOVE bears all things, believes all things, Hopes all things, endures all things  
Don't spend your life with someone you can live with, spend it with the one you can't live without.  
We are not held back by the love we didn't receive in the past, but by the love we're not extending in the present

Some blessings come in twos.  
And they came two by two  
A baby is a bit of star dust blown from the hand of God!  
God lent us an angel, a gift from heaven above.  
People who say they sleep like a baby usually don't have one.  
A baby is God's opinion that the world should go on.  
Double the hugs - Double the love - Double the joy  
Two miracles instead of one . . . Two special lives have just begun.  
Two miracles instead of one - two moonbeams found, two rays of sun.  
No joys on earth bring greater pleasure than a little girl to love and treasure.  
A wee bit of heaven drifted down from above, a handful of happiness, a heart full of love.  
Two cute little faces with matching grins, nothing could be any sweeter than twins!  
Time for bottles, time for bibs, time for powder, time for cribs, time for naps and peek-a-boo . . . time to snuggle up with two.

Someday my prince will come  
Take me out to the ball game  
Mary, Mary, quite contrary, how does your garden grow?  
Sisters by chance, friends by choice  
We can't all be stars, but we can all twinkle.  
A daughter is a love that lasts a lifetime.  
A daughter is just a little girl who grows up to be a friend.  
Mothers of little boys work from son up to son down  
Children aren't to be molded; they are little people to be unfolded.  
All you need is faith and trust and a little bit of pixie dust.  
When a child is born, so is a Grandmother!  
A child fills a place in your heart you never knew was empty.  
Twinkle, Twinkle, Little Star, Do You Know How Loved You Are?  
What are little girls made of? Sugar, Spice and Everything Nice  
Frogs and things and dragonfly wings, that's what little boys are made of  
Grandma says that when God made me (us) He was just showing off.  
God, can you hear me better on my tippie toes?  
Frogs are lucky, they eat what bugs them.  
Snips and Snails and Puppy Dog Tails  
Someday my prince will come.  
Light fades, stars appear, evening angels gather here.  
Take me out to the ballgame...  
Little girls are precious gifts wrapped in love serene, their dresses tied with sashes, their  
futures tied with dreams.  
Star light, Star bright, First star I see tonight, I wish I may, I wish I might, Have the wish  
I wish tonight.  
If Barbie is so popular, why do you have to buy her friends?  
What you are is God's gift to you, what you become is your gift to God.  
Practice makes perfect . . . just be careful what you practice.  
Reach for the Moon; if you miss, you'll be among the stars.  
It doesn't matter if you win or lose, it's how you play the game.  
Children are one-third of our population and all of our future  
Every child is a different kind of little flower, and all together they make this world a  
beautiful garden.  
A child's life is like a piece of paper on which every person leaves a mark.  
Cuddles, kisses, snuggles and LOVE - That is what baby girls are made of.  
Through the eyes of a child you will see the world just as it ought to be.  
Little girls are just angels who haven't yet spread their wings.  
Never let the fear of striking out keep you from playing the game  
A man never stands as tall as when he kneels to help a child.  
To become a real boy, you must prove yourself brave, truthful, and unselfish -Pinocchio

I spend most of my life fishing, the rest I just waste.

Each of us is an Innkeeper, who decides if there is room for Jesus. -Neal A. Maxwell

Blessed is the season which engages the whole world in a conspiracy of love.

In the eyes of children we find the joy of Christmas, In their hearts, we find its meaning.

Christmas is the only time of year where we all sit around a dead tree and eat out of our socks.

All I need to know I learned from the Easter bunny: 1. don't put all your eggs in one basket 2. There's no such thing as too much candy 3. Everyone needs a friend who is all ears

Bunnies are brown, Bunnies are white, Bunnies are always an Easter delight. Bunnies are cuddly, the large and the small, but I like the chocolate ones best of all.
